S.W.A.T Sniper

SWAT Sniper has the ability to KOS anyone who breaks the law. Unlike other Civil Protection who have to attempt to arrest unless they have a weapon out. They also get "Scope HUD" which allows you to see who anyone is at any distance, and if they're wanted.

Juggernaut

When maximum level, Juggernaut gains 200 armor and an M249 Chain-SAW. It proves quite the force to stop a bank raid or raid a criminals base!

Hunter

Hunter is the most profitable SWAT class or even Civil Protection class. It has access to bounties.

Bounties work similar to hits, however a legal way of killing. A wanted person has their wanted status removed, and is notified a Bounty Hunter is after them! The Bounty Hunter's mission is to kill them. The reward is gaining money off their dead body. This can be up to £5,000,000.

Movement

The movement class does exactly what it says. It gives you Climb Swep so you can climb buildings. You also gain Magic sword and faster movement speed to catch criminals!
