Skill Tree - Civil Protection

Civil Protection has access to a skill tree. The tree allows you to expand into a certain role within the Police Force. It can range from being undercover to being a bounty hunter, hunting criminals!

You can access the skill tree by going to the Civil Protection computer in the PD.

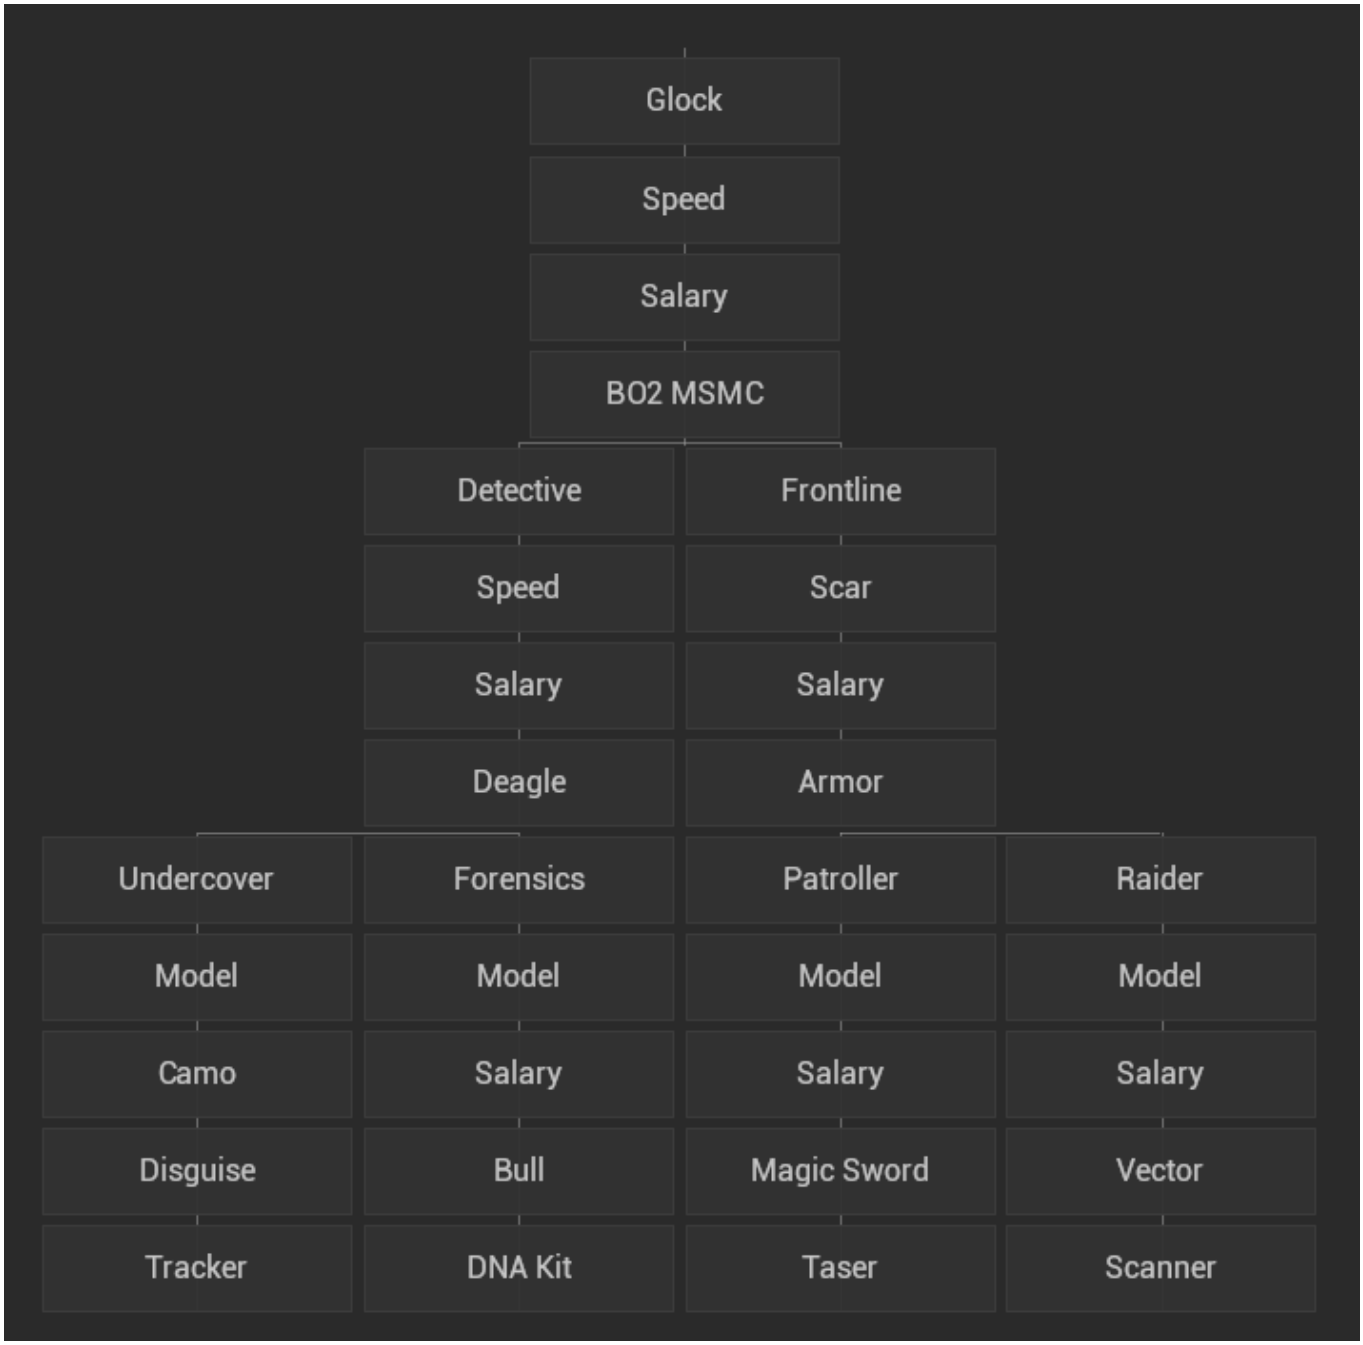

Civil Protection Computer

There are 3 main classes:

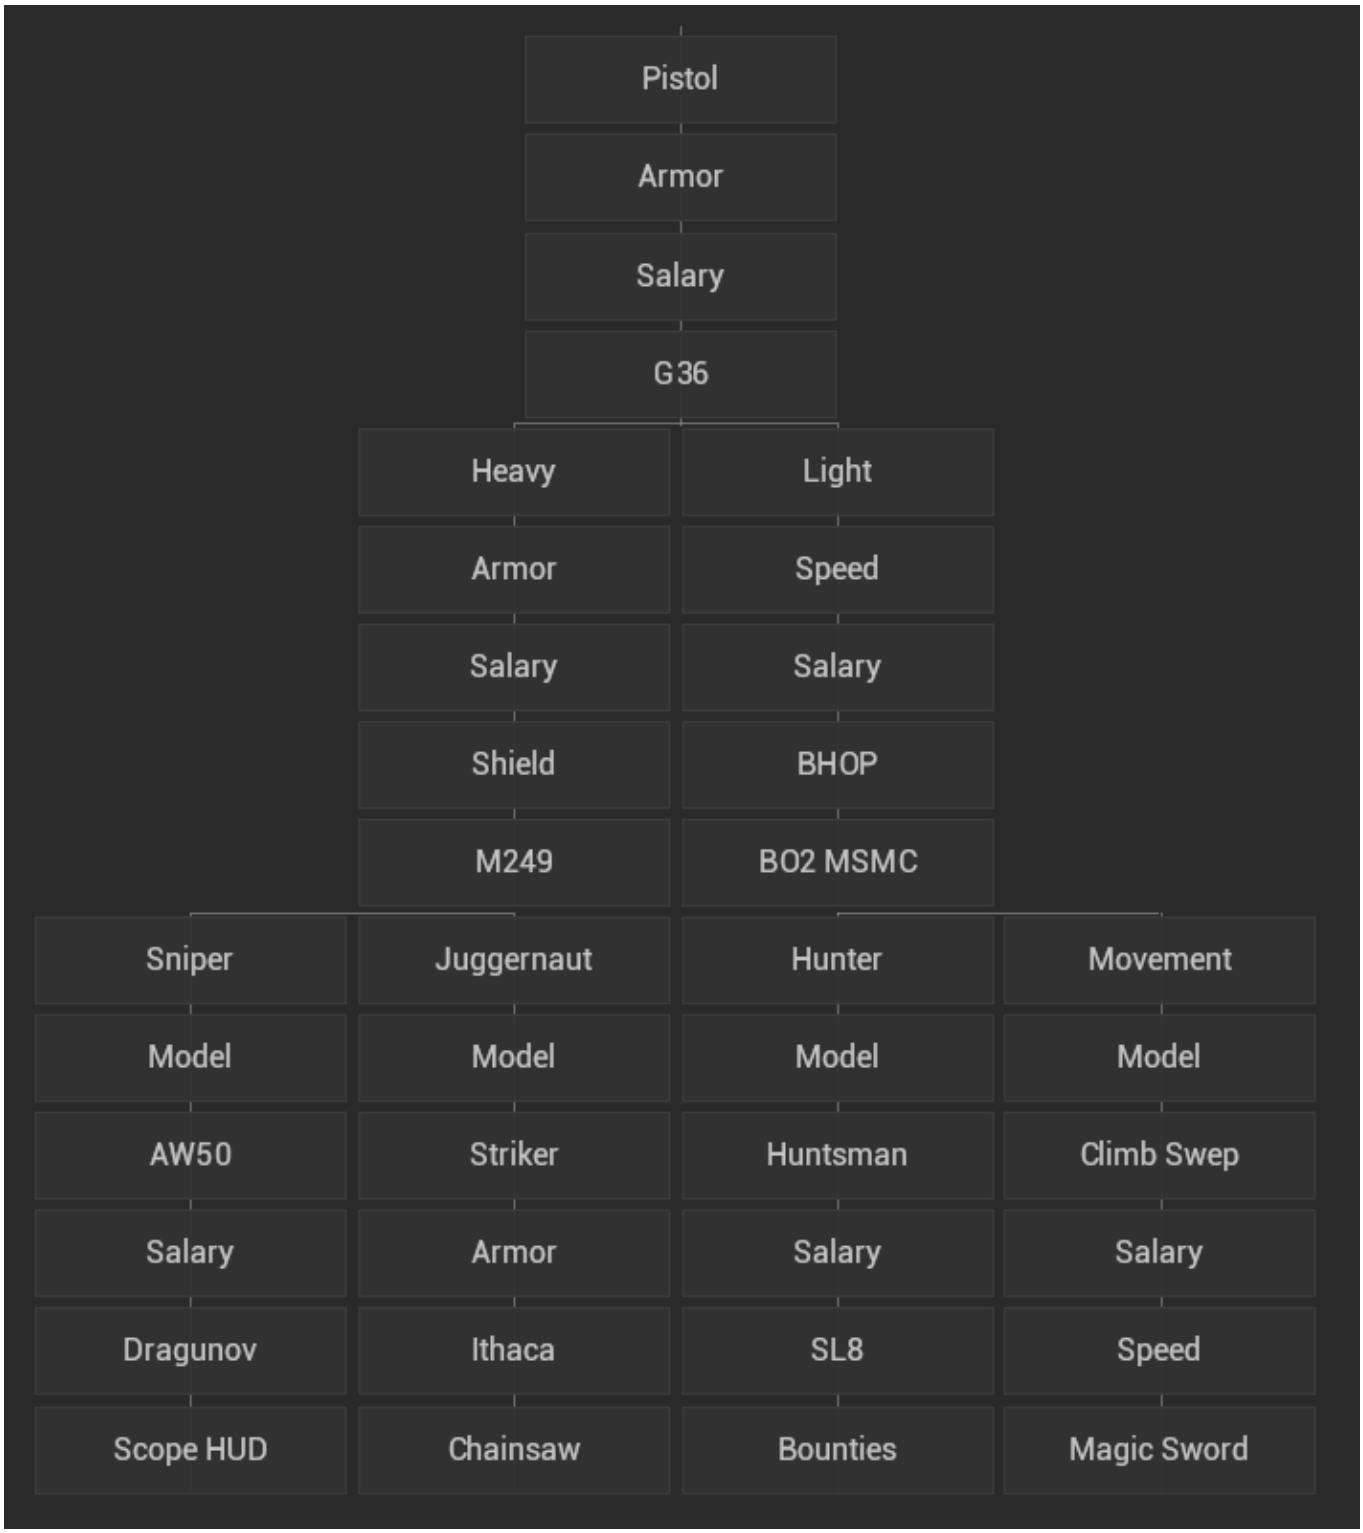

Police

Police Tree

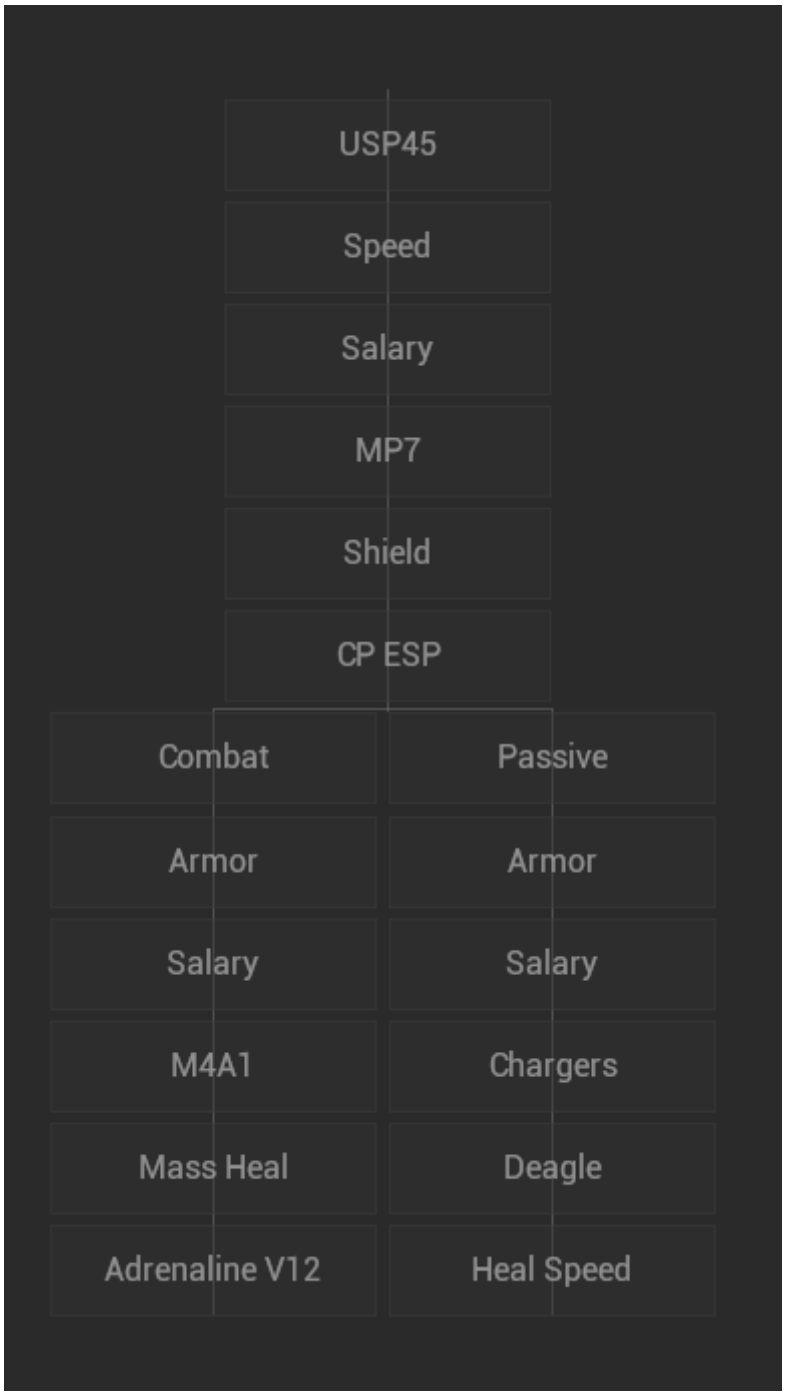

SWAT

SWAT Tree

Medic

Medic Tree

You can gain progress within the skill tree by spending time as the class. Each minute you spend as the class is 1 point.

> Note that choosing one branch within a role will lock the other branches. Choose wisely!
