

Legacy Rewards

Overview

Legacy rewards let you spend what you had before the reset. Your old RP cash and gang prestige points were saved as a **snapshot**, and the Legacy rewards menu is where you turn that snapshot into permanent unlocks.

The menu has **two tabs**;

- **RP Cash** spends your old cash on rewards for **your own character**.
- **Gangs** spends old prestige points on rewards for your **entire gang**.

The bar at the top of each tab shows your **Remaining** balance and how much you have **Spent** so far. The snapshot does not refill, so once it is gone it is gone. Money you earn after the reset cannot be used here.

RP Cash

These are **personal** rewards. Anything you buy here is unlocked for **you only** and is kept permanently.

Reward	Cost	What you get
Magic Diamond Sword	£1,000,000,000	Permanent weapon. A diamond MC sword with magic sword abilities.
BO1 Ballistic Knives	£750,000,000	Permanent weapon.
Jetski	£500,000,000	Adds the Jet Ski to your Cloud vehicles menu. Spawn or store it like any other owned vehicle.
BO1 Compound Bow	£300,000,000	Permanent weapon.
BO1 Commando	£100,000,000	Permanent weapon.

Gangs

These are **gang wide** rewards paid for with **legacy prestige points**. They affect the whole gang rather than just you, so only the **gang owner** can buy them.

Every reward in this tab is **fulfilled manually by staff**. After you buy one, staff will contact you to sort out the details. Nothing appears in game instantly.

Reward	Cost	What you get
Custom gang playermodel	4 prestige pts	A custom playermodel for your gang.
Custom gun (Workshop)	2 prestige pts	One custom gun from the Steam Workshop. Legacy prestige only.
Custom billboard	2 prestige pts	A billboard with an image of your choice, placed on the map.
Street or building named after you	1 prestige pt	A street or building on the map named after your gang or your choice.

If you are not the owner of a legacy gang, this tab will show **No legacy owner gang row** and a balance of 0.

Notes

- Purchases are **permanent** and cannot be refunded or swapped once bought, so pick carefully.
- Your legacy balance is fixed at the snapshot amount and does not go up.
- Custom content must follow server rules. Staff can refuse anything inappropriate.
